Dear Customers,

I am writing on behalf of Napa Auto Parts Grande Prairie regarding our upcoming Show & Shine August 15, 2026. We are reaching out to all our clients to see if they could graciously donate anything that we can use as prizes and/or items for our swag bags.

All money raised at our Show & Shine is donated to local charities every year. This is a great way for you to not only help raise funds for a good cause but also a great way to get your company some "free" advertising.

If you have any questions or would like donated items to be picked up, please don't hesitate to contact me.

Sincerely,

Denielle Sutherland
